

to the same extent as such party. Notice given to any party of any administrative action, determination, or decision, or request to any party for the production of evidence shall be sent to the representative of such party and such notice or request shall have the same force and effect as if it had been sent to the party represented.

§ 725.365 Approval of representative's fees; lien against benefits.

No fee charged for representation services rendered to a claimant with respect to any claim under this part shall be valid unless approved under this subpart. No contract or prior agreement for a fee shall be valid. In cases where the obligation to pay the attorney's fee is upon the claimant, the amount of the fee awarded may be made a lien upon the benefits due under an award and the adjudication officer shall fix, in the award approving the fee, such lien and the manner of payment of the fee. Any representative who is not an attorney may be awarded a fee for services under this subpart, except that no lien may be imposed with respect to such representative's fee.

§ 725.366 Fees for representatives.

(a) A representative seeking a fee for services performed on behalf of a claimant shall make application therefor to the deputy commissioner, administrative law judge, or appropriate appellate tribunal, as the case may be, before whom the services were performed. The application shall be filed and served upon the claimant and all other parties within the time limits allowed by the deputy commissioner, administrative law judge, or appropriate appellate tribunal. The application shall be supported by a complete statement of the extent and character of the necessary work done, and shall indicate the professional status (e.g., attorney, paralegal, law clerk, lay representative or clerical) of the person performing such work, and the customary billing rate for each such person. The application shall also include a listing of reasonable unreimbursed expenses, including those for travel, incurred by the representative or an employee of a representative in estab-

lishing the claimant's case. Any fee requested under this paragraph shall also contain a description of any fee requested, charged, or received for services rendered to the claimant before any State or Federal court or agency in connection with a related matter.

(b) Any fee approved under paragraph (a) of this section shall be reasonably commensurate with the necessary work done and shall take into account the quality of the representation, the qualifications of the representative, the complexity of the legal issues involved, the level of proceedings to which the claim was raised, the level at which the representative entered the proceedings, and any other information which may be relevant to the amount of fee requested. No fee approved shall include payment for time spent in preparation of a fee application. No fee shall be approved for work done on claims filed between December 30, 1969, and June 30, 1973, under part B of title IV of the Act, except for services rendered on behalf of the claimant in regard to the review of the claim under section 435 of the Act and part 727 of this subchapter.

(c) In awarding a fee, the appropriate adjudication officer shall consider, and shall add to the fee, the amount of reasonable and unreimbursed expenses incurred in establishing the claimant's case. Reimbursement for travel expenses incurred by an attorney shall be determined in accordance with the provisions of § 725.459(a). No reimbursement shall be permitted for expenses incurred in obtaining medical or other evidence which has previously been submitted to the Office in connection with the claim.

(d) Upon receipt of a request for approval of a fee, such request shall be reviewed and evaluated by the appropriate adjudication officer and a fee award issued. Any party may request reconsideration of a fee awarded by the adjudication officer. A revised or modified fee award may then be issued, if appropriate.

(e) Each request for reconsideration or review of a fee award shall be in writing and shall contain supporting statements or information pertinent to any increase or decrease requested. If a fee awarded by a deputy commissioner

is disputed, such award shall be appealable directly to the Benefits Review Board. In such a fee dispute case, the record before the Board shall consist of the order of the deputy commissioner awarding or denying the fee, the application for a fee, any written statement in opposition to the fee and the documentary evidence contained in the file which verifies or refutes any item claimed in the fee application.

§ 725.367 Payment of a claimant's attorney's fee by responsible operator.

(a) If an operator declines to pay any benefits on or before the 30th day after receiving written notice of its liability for a claim on the ground that there is no liability for benefits within the provisions of the Act, and the person seeking benefits shall thereafter have utilized the services of an attorney in the successful prosecution of the claim, there shall be awarded, in addition to the award of benefits, in an order, a reasonable attorney's fee against the operator or carrier in an amount approved by the deputy commissioner, administrative law judge, Board, or court as the case may be, which shall be paid promptly and directly by the operator or carrier to the claimant's attorney in a lump sum after the order becomes final.

(b) Section 205(a) of the Black Lung Benefits Amendments of 1981, Pub. L. 97-119, amended section 422 of the Act and relieved operators and carriers from liability for the payment of benefits on certain claims. Payment of benefits on those claims was made the responsibility of the Trust Fund. The claims subject to this transfer of liability are described in § 725.496 of this part. On claims subject to the transfer of liability described above the Trust Fund will pay all fees and costs which have been or will be awarded to claimant's attorneys which were or would have become the liability of an operator or carrier but for the enactment of the 1981 Amendments and which have not already been paid by such operator or carrier. Section 9501(d)(7) of the In-

20 CFR Ch. VI (4-1-00 Edition)

ternal Revenue Code, which was also enacted as a part of the 1981 Amendments to the Act, expressly prohibits the Trust Fund from reimbursing an operator or carrier for any attorney fees or costs which it has paid on cases subject to the transfer of liability provisions.

§ 725.401 Claims development—general.

After a claim has been received by the deputy commissioner, the deputy commissioner shall take such action as is necessary to develop, process, and make determinations with respect to the claim as provided in this subpart.

§ 725.402 Approved State workers' compensation law.

If a deputy commissioner determines that any claim filed under this part is one subject to adjudication under a workers' compensation law approved under part 722 of this subchapter, he or she shall advise the claimant of this determination and of the Act's requirement that the claim must be filed under the applicable State workers' compensation law. The deputy commissioner shall then prepare a proposed decision and order dismissing the claim for lack of jurisdiction pursuant to § 725.418 and proceed as appropriate.

§ 725.403 Requirement to file under State workers' compensation law—Section 415 claims.

(a) No benefits shall be payable to or on behalf of a claimant who has filed a claim under section 415 of part B of title IV of the Act, for any period of eligibility occurring between July 1, and December 31, 1973, unless the claimant has filed and diligently pursued a claim for benefits under an applicable State workers' compensation law. A State workers' compensation claim need not be filed where filing would be futile. It shall be determined that the filing of a State claim would be futile when:

(1) The period within which the claim may be filed under such law has expired; or

(2) Pneumoconiosis as defined in part 718 of this subchapter is not compensable under such law; or
